Dear Andrea,

Our Sunday Visitor is proud to present this correlation of *Allelu* and *Alive in Christ* Parish and School Edition in support of your diocesan guidelines. *Allelu* is our most current early childhood program, and *Alive in Christ* is our most current basal series for grades 1-8. We are excited to partner with the parishes and schools in your diocese.

The three levels of *Allelu* (Ages 3-4, Ages 4-5, and Kindergarten) have been carefully correlated to the Religion Curriculum Guidelines from your diocese. Correlations are indicated for each content guideline. This correlation of *Allelu* provides references to

- the lesson and page numbers in the Catechist/Teacher's Guide
- The lesson and page numbers on the Child and Family Activity Sheets
- Other relevant content from *Allelu*, such as music from the *Allelu* CD or additional online activities

*Allelu* is a Christocentric early childhood program with a focus on the life and teachings of Jesus. Other Bible stories and faith teachings are presented in the light and context of this Christocentric catechesis.

The methodologies, stories and activities used are based in research and practical experience regarding what is most engaging and beneficial to children this age. *Allelu* is developmentally appropriate. It includes child-directed activities in every lesson. Child-initiated activities (those the child can do autonomously) have been shown by decades of research (including recent research at Yale Child Study Center) to be critical in the development of self-regulation and self-control. This program is designed with particular attention to the brain development of kindergarten children. Because of this educationally sound and developmentally appropriate methodology, both the activities and music have been referenced, as the content is often presented through these means.

*Allelu* is also built upon the same 7 key catechetical themes as *Alive in Christ*: Revelation, Trinity, Jesus Christ, the Church, Sacraments, Morality, and Kingdom of God. The correlations to these 7 themes are found in the Scope and Sequence for each grade level in the *Allelu* Catechist/Teacher Guide. *Allelu* will provide a seamless transition to *Alive in Christ*.

*Alive in Christ* utilizes a completely unique and effective catechetical process that mirrors the divine pedagogy, forming children and their families in the truth and beauty of our Catholic faith. Its distinct focus on Sacred Scripture and Sacred Tradition is reflected in its comprehensiveness and use of precise theological language. *Alive in Christ* incorporates the most trusted research on how children learn and communicate. Definitions, activities, questions, visuals, and reading passages that teach these truths have been reviewed for developmental appropriateness.

*Alive in Christ* follows a systematic scope and sequence organized around key themes of Catholic teaching that repeat each year within a grade-level focus. As a result, some of the themes considered in your diocesan guidelines at a particular age level may not be covered at that specific time in our scope and sequence. They are, in fact, covered either in a previous or upcoming grade. In the occasional instance when a concept is not covered in our curriculum, the catechist is given a recommendation of when to include it in a related lesson.

If we can further partner with you in faith formation in any way, please do not hesitate to contact us.

May God continue to bless you and your ministry with both hope and joy.

National Catechetical Consultant

## Correlation of *Alive in Christ* Parish Edition Grades 1-4

This correlation of *Alive in Christ* Parish Edition Grades 1–4 provides page references for the Student Book. Other program components offer additional opportunities for instruction and development of the guidelines. The Catechist Editions include background content on Sacred Tradition and Sacred Scripture, as well as formation in developmental appropriateness. Lectionary connections for a three-year-cycle, assessments, and optional activities are also provided. Catholic Social Teaching and lessons for the feasts and liturgical year can be correlated with core chapters or stand alone.

The *Alive in Christ* website ([aliveinchrist.osv.com](http://aliveinchrist.osv.com)) includes extensive online resources and interactive connections between the Student Book and the website, along with music, assessments, social media interaction, customized lesson planning, program support materials, a multimedia glossary, question of the week, and many other features.

*Alive in Christ* deepens children’s experience of faith through song, with two unique components to meet diverse needs and developmental models. In some cases this music is referenced.

Our Sunday Visitor has partnered with LicenSing Online\* to provide music for children and catechists. This includes the *Alive in Christ* theme song and age- appropriate music for each grade at varying steps of the catechetical process.

***Songs of Scripture: Deepening Children’s Understanding of the Word of God*** is an original work of forty songs designed to teach or unfold the meaning of Scripture.

Songs from both of these resources may be sampled and downloaded at [aliveinchrist.osv.com](http://aliveinchrist.osv.com).

### **Take Note of the Following:**

- a) Because of *Alive in Christ’s* approach to its scope and sequence, which is structurally organized around seven foundational doctrines of the Church, many of the standards are presented at an earlier grade level and expanded in subsequent years, or will be treated at greater depth in a coming year.
- b) *Alive in Christ* Parish Edition contains an intentional use of activities to assess learning, aid in understanding, reinforce concepts, and apply learning to the child’s life. In some cases the activities are cited.
- c) The Vocabulary references in *Alive in Christ* are named “Glossary of Catholic Faith Words,” and are cited in the sidebar and found in the Glossary of Catholic Faith Words in the Student Book.
- d) Our Catholic Tradition: Faith Basics is a reference section found in the back of the Student Book. This section is patterned on the *Catechism of the Catholic Church* and presents content divided into the four sections of We Believe, We Worship, We Live, and We Pray.
- e) If a standard is not specifically presented in *Alive in Christ* there may appear a suggestion for the catechist about where it would be most appropriate to add this content in a lesson.
- f) In each grade level *Alive in Christ’s* Catechist Editions present a developmental overview of a child at this age and discuss the content in relationship to the catechetical readiness of the child.

- g) **Take Note** of the Big Question found on Unit page. The Big Question is related to the chapter objectives and forecasts the learning in the unit.
- h) Kindergarten correlations for our Kindergarten programs *Allelu!* and *Call to Faith*
