Life Teen's Catholic Youth Ministry Convention has become America's premier event for everyone involved in parish youth ministry. Why? Maybe it's because we are different.

We believe in practical, comprehensive youth ministry training. But we don't think that's enough. That's why we incorporate elements of a spiritual retreat into the training convention. Because youth ministry isn't about what you know, it's WHO you know.

Immersion is a dynamic and hands-on experience, designed from the ground up to help train, equip, and mobilize Catholics as disciple-makers who proclaim Jesus Christ in the world. The event includes prayer, a variety of direct evangelization experiences, dynamic talks, specialized breakouts, worship, and fellowship.

It is one of the most unique Catholic conferences in the world in that we keep it small spend a significant part of the conference ministering to others on the streets of Southeast Michigan through a variety of evangelization experiences.
