Correlation of *Alive in Christ* School Edition Grades 5-6

This correlation of *Alive in Christ* School Edition Grades 5–6 provides page references for the Student Book. Other program components offer additional opportunities for instruction and development of the guidelines. The Teacher Editions include background content on Sacred Tradition and Sacred Scripture, as well as formation in developmental appropriateness. There are also opportunities for teacher formation on-line. Lectionary connections for a three-year-cycle, assessments, and optional activities are provided, as well. Catholic Social Teaching and lessons for the feasts and liturgical year can be correlated with core chapters or stand alone.

The *Alive in Christ* website (aliveinchrist.osv.com) includes extensive online resources and interactive connections between the Student Book and the website, along with music, assessments, social media interaction, customized lesson planning, program support materials, a multimedia glossary, question of the week, and many other features.

Alive in Christ deepens children’s experience of faith through song, with two unique components to meet diverse needs and developmental models. In some cases, this music is referenced.

Our Sunday Visitor has partnered with **Oregon Catholic Press** to provide music for children and catechists. This includes the *Alive in Christ* theme song and age-appropriate music for each grade at varying steps of the catechetical process.

Songs of Scripture: Deepening Children’s Understanding of the Word of God is an original work of forty songs designed to teach and unfold the meaning of Scripture.

Songs from both of these resources may be sampled and downloaded at aliveinchrist.osv.com.

Take Note of the Following:

- A. Because of *Alive in Christ’s* approach to its scope and sequence, which is structurally organized around seven foundational doctrines of the Church, many of the standards are presented at an earlier grade level and expanded in subsequent years, or will be treated at greater depth in a coming year.
- B. *Alive in Christ* School Edition contains an intentional use of activities to assess learning, aid in understanding, reinforce concepts, and apply learning to the child’s life. In some cases, the activities are cited. Cross-curricular activities to integrate the faith in all aspects of curriculum are found on the Chapter Connections page of every chapter in the Teacher Edition.
- C. The Vocabulary references in *Alive in Christ* are named “Glossary of Catholic Faith Words,” and are cited in the sidebar and found in the Glossary of Catholic Faith Words in the Student Book.
- D. Our Catholic Tradition: Faith Basics is a reference section found in the back of the Student Book. This section is patterned on the *Catechism of the Catholic Church*

and presents content divided into the four sections of We Believe, We Worship, We Live, and We Pray. This section is referenced in both the Student Text and Teacher Edition with suggestions to teach the content as part of the lesson.

- E. If a standard is not specifically presented in *Alive in Christ*, a suggestion may appear for the teacher about where it would be most appropriate to add this content in a lesson.
- F. In each grade level, *Alive in Christ's* Teacher Editions present a developmental overview of a child at this age and discuss the content in relationship to the catechetical readiness of the child.
- G. Kindergarten correlations for our Kindergarten programs *Allelu!* and *Call to Faith Kindergarten* are available upon request.
- H. The NCEA IFG: Acre Edition is directly related to objectives for every chapter in the Teacher Edition on the Chapter Connections page.

Correlation of *Alive in Christ* School Edition Grade 7 & 8

This correlation of *Alive in Christ*, to Religion Course of Study and Curriculum Guidelines Grades 7-8 provides page references from only the *Student Editions*, grades 7 & 8. Other program components offer additional opportunities for instruction and development of the guidelines. The *Catechist/Teacher Editions* include optional activities, scripture background, connections for liturgy links, and lectionary links and justice and peace.

Take Out: Family Faith on the Go, a monthly Family magazine, offers practical family touch points, Catholic conversation starters, family faith-builders with prayers, saints and the Sunday readings and positive reinforcement for deepening Catholic identity in the home. The *Alive in Christ* website (aliveinchrist.osv.com) provides additional class and family activities for the young person as well as a faith glossary; faith-sharing questions based on the Sunday cycle of readings; and supplemental instructional resources for the catechist or teacher to help implement word, worship, and service in the classroom.

Unique to *Alive in Christ* Grade 7 & 8 and cited in the correlation are such features as:

- “Go to the Source” challenges the adolescent to go directly to Scripture and find out more about the passage.
- “In Summary: Catholics Believe” reiterates lesson objectives and key concepts presented in the chapter.
- “Where It Happened” explores the places where biblical or Church events took place and where the Saints lived and grew in holiness.
- “Catholic Faith Words” define core Catholic teachings and help the students know and articulate the teaching of the Church in precise theological language.

- “Catholics Today” introduces young people to customs, practices, and devotions of our Church as experienced and celebrated throughout the world.
- “The Church History Timeline” presents key people, places, and events in the Church’s growth and development, along with secular events that affected the course of Church history and the life and work of Catholics around the world.
- “Live Your Faith Component” develops the seven principles of Catholic Social teaching and is correlated to both seasonal and core chapters.
- The “Our Catholic Tradition” reference section presents information on our Creeds, Sacraments, prayers, and practices of our Catholic faith.
- Additional activities such as THE ESSENTIAL TEACHING ACTIVITIES are found in the DISCOVER section of the on-line lesson planner. These activities provide further enrichment for the lesson.
