

Wondering how to respond more deeply to your vocation as a young adult Catholic? The Young Adult Evangelization Team of the Archdiocese of Cincinnati's Center for the New Evangelization is hosting a seven-week formation series throughout the Easter season to do a deep-dive into understanding our life of faith through the lens of Relationship, Identity, and Mission.

If you've been seeking an opportunity to think through questions like, "How do I deepen my relationships with God and the other most important people in my life?" "What does it mean for my vocation that I'm drawn to certain things, have developed particular skills, and find myself in a particular time and place?" "How am I called to respond to my vocation now, rather than living my life on hold until I 'figure out' God's plan for my life?" this series will present theological and philosophical principles, useful tools for discernment, and conversations with young adults and mentors who are putting it all into practice.
