

Leadership for Mission Series: Called & Gifted

STEP ONE

CALLED & GIFTED WORKSHOP

This workshop, which you've now completed, provides the first indication of how you and the rest of your parish staff have been gifted by God in order to build up the Church and serve God's people. But, this is only the first step in discerning your charisms.

CHARISM INTERVIEW

STEP TWO

Step 2 is a Charism Interview, in which a trained interviewer will help you understand your Inventory results and create a discernment plan. An interview lasts 60 - 90 min. and costs \$30. Register for a virtual interview by emailing catholicaoc@siena.org (**by May 31st**), or an in-person interview by using this Sign-Up Genius: <https://bit.ly/CharismInterview>. Only 40 in-person interview slots are available!

STEP THREE

DISCERNMENT SMALL GROUPS

Step 3 is a 4-session Discernment in Depth small group experience to help facilitate continued charism discernment. The leader of each small group must participate in a short, virtual training. Email Nicholas at nhardesty@catholicaoc.org **by May 31, 2023** with the name of the person who will lead your parish staff through this experience.
