## FAQ

### **Why only one camp?**

We need a very large team to run ECYD summer camps, and do not have the team built up to coordinate more camps. If you would like to volunteer to help make these a possibility, contact Fr Andrew Gronotte, as we try to build up that team.

### **Can parents volunteer at camp?**

YES! We need parents to help make camp possible. Parents help in the kitchen preparing meals and snacks, as well as some camp activities like driving for horseback riding or canoeing. Contact Fr Andrew Gronotte to coordinate when and where you can help. There are also discounts available for their kids by helping.

### **What if my son has allergies?**

The safety of your child is a priority of ours, so please let us know of any allergies in your in the registration form. A camp member team may be in touch with you to accommodate needs.

### **What if my son brings or needs medication?**

All medications will be dispensed by our camp nurse. Medications are typically dispensed during breakfast, lunch, dinner and bedtime. Please be sure to complete medical form and enclose medications in a Ziplock bag with your child's name on them. Drop off medications at check-in.

### **What if my son has a behavior, psychological, or medical condition?**

Our pastoral team is dedicated to creating a safe and healthy environment for all campers. If your child has a behavioral, psychological, or medical condition, please indicate this when you register your son. A member of our pastoral team will reach out to discuss your camper's specific needs and possible accommodations.

## FAQ

### Can my son and his friend be in the same cabin?

If your son is coming with a friend, we can try to accommodate them rooming in the same cabins. Please email with any cabin requests, and we will do our best to put boys with people they know.

### What is the camp's cell phone policy?

Boys are encouraged to leave phones at home, so to be able to be fully present at camp. If they bring their phones, we will collect them at check-in. If they want to call home, a camp team member will let them know when they can call home. Emergency contact info for camp staff will be provided parents.

### Can my son bring snacks?

YES! Boys can bring personal snacks, but due to animals, we hold a strict "no food in cabins" policy. They can label them and leave them in the pantry where the dads will bring them out during meal and snack times.

### What is ECYD?

ECYD is an international Catholic association of adolescents and a lifestyle of living as Christ's friends and apostles in today's world. In ECYD, adolescents are offered different experiences to help them encounter God, themselves, and others.

### Questions?

[agronotte@legionaries.org](mailto:agronotte@legionaries.org)

Conquest boy's' clubs are powered by ECYD. Boys from these groups come together for weekend retreats and week-long summer camps.

Boys do not need to be part of Conquest to participate in camp.
